

FIG. 1 is a schematic diagram of a vehicle 100, showing a side view of the vehicle. The vehicle 100 includes a front end 102, a rear end 104, a left side 106, and a right side 108. The front end 102 includes a front bumper 110, a front grille 112, and a front hood 114. The rear end 104 includes a rear bumper 116, a rear grille 118, and a rear trunk 120. The left side 106 includes a left door 122, a left window 124, and a left side mirror 126. The right side 108 includes a right door 128, a right window 130, and a right side mirror 132. The vehicle 100 also includes a front wheel 134, a rear wheel 136, and a steering wheel 138. The vehicle 100 is shown in a side view, with the front end 102 facing left and the rear end 104 facing right.
